

## Māris Vainovskis

During his over 18 years of legal experience Maris has been involved in most of the largest M&A and banking and finance related projects in the country. Maris has acted in advisory capacity in over 200 M&A sector deals and advised sellers and buyers in not only mergers and acquisitions but also complex reorganizations and asset deals, in both national and international transactions. He has lead teamwork on over 80 major corporate and commercial sector deals. Maris is also renowned for his expertise in complex reorganizations, restructurings and asset deals, business and financial law.
